## 1.0 Appointment of Faculty Members.

### 1.1 Introduction

Appointment of faculty members in an academic institution is one of the most important issues to be addressed to improve the quality of higher education in Pakistan. Any issue of such importance is necessarily complex, and requires careful consideration. Since appointment to a post directly impacts the professional, personal and financial standing of faculty members. Decision making on qualitative factors requires experience, and is open to the introduction of personal biases, and therefore it is necessary to define minimum requirements on quantitative data such as the number of years of service and number of Journal publications. This document lists only the **Minimum Eligibility Criteria** for appointment to a regular faculty post. However, the universities are encouraged to develop comprehensive criteria for appointment to a faculty post based on the research contribution, teaching effectiveness and service to the professional community of the faculty members.

### 1.2 Detailed Criteria

The detailed criteria to be developed by each university may take into account

- Quality of teaching,
- Number of courses taught and number of student contact hours,
- Student evaluation of courses taught,
- Development of new courses and laboratories,
- MS/Ph.D. student supervision,
- Quality of research publications,
- Research funding attracted,
- Honours received, and
- Degree and level of participation in activities for the promotion of their respective disciplines as well as development of the Institution in which the faculty member is employed.

### 1.3 Applicability

The Eligibility Conditions for appointment are applicable to all Universities and Degree Awarding Institutions (DAIs)

**1. Eligibility Conditions for appointment of faculty in all disciplines excluding Engineering, Information Technology, Computing Sciences, Medical Sciences, Law and Arts & Design (Studio Practice) disciplines in all Universities and Degree Awarding Institutions**

<b>Position</b>	<b>Minimum qualifications</b>	<b>Experience</b>	<b>Minimum number of publications</b>
Lecturer	First Class Master's Degree OR equivalent degree awarded after 16 years of education in the relevant field with no 3 <sup>rd</sup> Division in the academic career from an HEC recognized University/ Institution. However, during the next two years (i.e. until September 30, 2008) if no candidate is available without 3 <sup>rd</sup> division in the academic record, then the university may forward the case for appointment for a selected candidate to the HEC for consideration and approval	No experience required	Nil
Assistant Professor	PhD in relevant field from HEC recognized University/ Institution.	No experience required	Nil
	<b>OR</b>		
	Master's degree (foreign) <b>OR</b> M.Phil (Pakistan) <b>OR</b> equivalent degrees awarded after 18 years of education as determined by the HEC in the relevant field from an HEC recognized University/ Institution.	4-years teaching/ research experience in a recognized university or a post- graduation Institution or professional experience in the relevant field in a National or International organization.	Nil
